WHEN ELECTED I WILL...

- ✦ Represent the community in all decision-making processes and ensure that transparency and consultation are part of all Council decisions.
- ✦ Ensure all decisions follow due process and prioritise the needs of the whole community. I will ensure every dollar that is spent delivers the best outcomes for our residents.
- ✦ Deliver high standards of responsiveness and communication and fight to represent residents without fear or favour to ensure the community's voice is heard.

CANDIDATE FOR NOOSA SHIRE COUNCIL 2024

SHIRE-WIDE POLICIES

WASTE MANAGEMENT

I will advocate to re-start kerbside hard rubbish collection or tip vouchers for residents and offer community not-for-profits four free tip vouchers per year.

PROTECTING NATIONAL PARKS

I will not support the commercialisation of our National Parks.

PRIORITISING THE RIGHT SERVICES

Council has lost its way and is not focused enough on projects that improve residents' quality-of-life. I will fight for better roads, cycle and pathways, bus shelters, playgrounds and parks, public toilets and boat ramps.

LOCAL POLICY

I will work with the Peregian and Marcus Beach communities and Surf Life Saving Queensland to advocate for an improved **Peregian Surf Club** which is appropriate for delivering the emergency services our residents and visitors need, along with the surf safety skills and community service opportunities a club provides.

Authorised by L. McCready, 3 Alba Close, Noosa Heads, 4567.
